Ron Eberhart returned to ring the bell to start the meeting; he also gave the invocation, and led us in the Pledge of Allegiance and the Optimists Creed.

RETURNEES: Brandon Roop, Rick Roop, Noel Miller, Ron Eberhart, John Schuck, and Dan Phillips. Welcome back, all.

ANNOUNCEMENTS:

- 90th Anniversary signup sheets were passed around- much work has already been done on the program; we need everyone to plan now to attend this celebration!
- The first meeting for the annual Golf Outing at Eagle Valley is being planned.

SUNSHINE REPORT: Don Julian circulated a get-well card from the club to Emily Baxter, who is now recuperating.

SARGE: Much conscience money was collected from various members. Today's questions had to do with such subjects as Van Gough's death, Lady Godiva's horseback ride, and a mathematical numbers progression. No one was able to answer again today! Half pot was won by Don Julian, who graciously returned the money to the club. Buddy prizes were not awarded, as no one had called their buddy!

PROGRAM: Cheryl Graves, program chairman for April, introduced Paul Axton, of the Mount Vernon Conservation District, our speaker for today. Paul started with the Conservation Office in 1979, and has been re-assigned previously over the years to various counties in Indiana. He also teaches classes in accident prevention, as part of his work. There are many divisions within the Conservation Office: he works in the law enforcement division. He presented an effective slide presentation on various aspects of conservation, as it is presently being handled. There was time for questions after his program.

THOUGHT FOR THE WEEK: "An optimist is a person who looks forward to enjoying the scenery on a detour".

That's all for now- see you next week! Call your buddy!!!
