SARGE: contributions were made by Deisher, Heathcote, Joest, Hughes & others I missed. The weekly quizzing had more losers than winners (isn't that the way its supposed to be?).

Our speaker today was Robert Newingham, Program Director for the Youth Service Bureau, which provides an extensive portfolio of services for youth. Among the programs are: Crisis Line Services, Probation Orientation Services, Truancy Services, Theft Intervention Services, Aggression Reduction Services, Substance Abuse Services and After School Services. The YSB also offers services to assist and strengthen families with issues such as after school supervision, family crisis, runaways, abuse related issues, relationship problems, marital issues, depression, conflict resolution, family discord and lots of other problems that are affecting families today. The YSB is one of many organizations in our community who are trying mightily to bring hope back to our families and our young people. They all need our help!

Half-pot drawing winner - Bill Simmons, who graciously returned winnings to the club.

Something to think about: "You can't have everything - where would you put it?"

Try calling your buddy-- just for the heck of it!
