It was HOT...HOT...HOT ...Wednesday for our annual trek to the YMCA Camp Carson. Thanks to John Bender and Bob Levi the only members other than the President, Ron Eberhart to attend.

The numbers of members attending were small, but we were able to give Camp Carson a check for \$2300. And, any additional funds that come in will be given to them. So, it is not too late to give.

Thanks to Camp Director and member, Mark Scoular, for setting up our meeting. We met at the Eddie Edwards Lodge (past member) and took a tour down by the lake where campers were sailing. They were learning how to "right" the sail boat after it capsizes. We then strolled over to the pottery building where kids were painting the pieces they had created. It was then time for lunch and we walked back by the cabins which do not have a/c but exhaust fans to keep the campers cool at night.

The campers this week were a little younger than in years past the oldest being about 13 to 14, but just as noisy. The dining hall is air conditioned and it felt mighty good. After a salad and taco dinner, President Ron Eberhart introduced our guests and presented Mark with a check.

Camp Carson is a beautiful camp and Mark does an outstanding job as director. It is evident as he interacts with the kids

Announcement: Board Meeting – Tuesday, July 20, 12 Noon at Ri Ra Irish Pub.

Be sure to come to this week's meeting as Harold Morgan does an outstanding job in visually presenting the role Evansville and the Tri-State played in WW II. I have seen his presentation. This is one you will truly enjoy.

That's it for this week. Next week back to the Blue and Gold Room.
Invite a guest they will enjoy Harold's presentation.
