We continued our journey up to this "cabin". It is movable but very sturdy and will withstand winds over 160 MPH.

We then headed to Aztec Cabin...the one we are buying for the camp. We talked to the campers and were looking for an area that would be used to hang our banner and creed.

Ken Dennis presented Mark with a check to subsidize campers. We dined on Tacos and a salad bar. During our meal, various tables broke into chant like yells.

After eating we headed back up the parking lot to Ken Dennis' SUV which carried the two framed banners. A club banner and an Optimist Creed banner. They will hang in Aztec cabin on the wall which will be used for cabin history.

It was another great day at the camp. Like I said, not as hot....a little rainy but we all thoroughly enjoyed ourselves.

It is great to see and talk with the counselors. They are such positive and enthusiastic young people. Many started going to camp and as they became older wanted to return to help the younger campers.

See ya on the 22<sup>nd</sup> back at the Blue and Gold Room at ONB.
