It was the annual trek north to Camp Carson in Princeton Indiana. Our trip is always in July which means it will be hot. And, July 11<sup>th</sup> was no exception. The good news is that it was not as hot as the previous week when temps were over 100 degrees.

Those who made the journey included Dr. John Bender, Bob Levi, Bill Simmons, Don Julian, Jeff and Sally Olsen and Ron Eberhart. We were greeted in the air-conditioned comfort of the Eddy Edwards Lodge. Mark Scoular, Camp Director and member of our club, showed us older photos of the camp hanging in the lodge. We then headed outside and walked over to the dining hall.

As usual, the kids were loud and noisy. We dined on salad and tacos. After the meal, Mark introduced Ron Eberhart who greeted the kids and members and presented Mark with a check from club members which was matched by our Foundation. \$2250 was given to the camp to help pay for kids to attend camp.

After lunch, Mark gave us a tour of the cabin which has our Downtown Plaque on it. We then went to a new area that was recently cleared where new cabins will be built.

It was a very rewarding time as usual. The long drive was well worth it. It is always great to see how our club helps kids. Their week at camp is a very special time for them and most will cherish that week as something very special.
