Speaker

Rich Hawley reported on his trip to Italy which included a 10 day cruise to Greece and Turkey. Jet lag was very real after his 10 hour flight from Rome. When vacationing in Italy, look for small vehicles such as smart cars which are parked on sidewalks and mopeds and motorcycles whizzing by between lanes of traffic. If you wish to fit in, wear dark clothes and Adidas not Nikes, order sparkling water not the natural water, and wear jackets even in 80 degree weather. Enjoy low prices in all 3 countries.
